

# Dartmouth College Athletic Compliance

## Recruiting Visit Accountability Form

*As a student host, you are an ambassador for the Athletic Department as well as Dartmouth College. The following are some basic athletic department guidelines for the host, as well as the visiting recruit.*

### CONDUCT:

- Under no circumstances should the host or the recruit use, allow the use of, or provide the use of alcohol, regardless of age.
- The host and the recruit are expected to act in a responsible manner and abide by not only NCAA, and institutional rules, but federal and state laws as well (e.g., laws pertaining to drugs, hazing, vandalism, etc.).
- The host is expected to accompany the recruit at all times, and should never leave the recruit alone. If an important commitment prevents the host from meeting this requirement (e.g., Class), it is the host's responsibility to find a temporary replacement host until that commitment has concluded.
- The host should take the recruit to appropriate social activities/forms of entertainment, dictated by the sport's head coach.
- The recruit must spend the night in a dormitory, residing on-campus. No off-campus housing, fraternities, or sororities may be used to house the recruit for overnight stays.
- The host and the recruit must follow any additional rules set by the sport's head coach (e.g., curfew, team policies, etc.).
- The host and the recruit must follow NCAA rules, which include, but are not limited to those listed below. If at any time you are unsure of those rules, you must contact your coaching staff immediately.

### NCAA Rules:

- Under no circumstances should the interaction between the recruit and an Alumnus and/or Booster take place.
- Do NOT provide the recruit with material gifts, or anything of value (e.g., money, souvenirs, gear, etc.), other than meals.
- If the host chooses to use a vehicle to transport the recruit, the host may use his or her own vehicle.
- The use of a vehicle may NOT be provided or arranged by a coach, staff member or booster.
- The recruit may NOT use or drive the host's, or any other student-athlete's, coach's, staff member's, or booster's vehicle.
- Do NOT transport the recruit more than 30-miles from campus for any type of entertainment, including meals.
- Recruits may participate in voluntary, physical and other recreational activities, provided such activities are not in the presence of, or organized by, coaches or other athletic staff members (e.g., Trainers or strength coaches).

### COMPLIMENTARY TICKETS:

- If attending an athletics contest in which tickets are being provided, the host must bring his or her student ID, and the recruit must bring any other form of identification. Without ID, recruits and hosts may be denied free admittance.
- During the contest, the host or the recruit may NOT sit in an area closed to the general public (e.g., press box, scoring table, team bench, sideline, VIP seating, etc.).

### MEAL CARD:

- The meal card may ONLY be used at '53 Commons.
- The meal card may ONLY be used by the recruit. The host should not use the card for his/her own, or a teammate's, meal.
- A lost or damaged meal card will result in a \$20 fee assessed to your coaching staff/team account. The meal card is the host's responsibility and must be returned to your coaching staff immediately following the visit.

### EMERGENCY:

- In case of emergency, please notify your coach or any of the following entities, immediately:

Dartmouth Safety & Security: 603-646-2234

Dick's House: 603-650-1401

Hanover Police: 603-643-2222

Both the host and the recruit have read and understand the guidelines set forth in this document, and have been provided the opportunity to ask any questions regarding its contents, along with what is expected of them during this recruiting visit. By signing below, the host understands that it is their responsibility to provide a positive and safe experience for the recruit, and the recruit acknowledges the expectations set forth by NCAA, Dartmouth regulations, as well as state and federal laws. Furthermore, failure to comply with these guidelines may result in a compromising of eligibility for both the host and the recruit.
